March 2, 2012,

Dear Friend of Bolivar Peninsula Community,

Have you ever had a *once in a lifetime opportunity* that you just couldn't pass up? Well, our very own local athletes have this very kind of opportunity. High Island High School Juniors', Kailey Tucker and Mckail Ochoa have the chance of a lifetime to represent Texas as distinguished athletes. These girls have been invited to participate in the National North Central Conference Track and Field Team that will be competing at the 2012 Down Under International Games in Australia.

Both girls need to raise \$4500 for a total of \$9000 by June 1, 2012 in order to compete in these games. So far, the Beach Team 4 Kailey & Mckail has raised a over \$1000 from the supporters you see listed to the side. With your help, we can make this dream become a reality for these promising young athletes. **Join Our BEACH TEAM!!**
