

A COMMUNITY PROJECT OF TCF CHARITIES

“Sponsor a Critter To Prevent a Litter”

SANBO (Spay and Neuter Beach Outreach) and TCF Charities, a 501c3 non-profit organization, are partnering with SNAP (Spay-Neuter Assistance Program) in Houston to bring their mobile veterinary clinic to the Bolivar Peninsula to spay and/or neuter approximately 25 qualifying pets in one day. To qualify, applicants must participate in a Government Assistance Program and be a resident and/or property owner on the Bolivar Peninsula.

\$125.00 will cover the cost to spay or neuter **one local pet** along with a rabies shot.

Make check out to: TCF Charities & reference SANBO in Memo

Periodic updates and photos of the sponsored dogs and cats will be posted on our SANBO Facebook page. Please “like” us and “share”. With help from people like you, we hope to continue and expand our passion here on the peninsula. We are initially focusing on the critical females and males in the area and are unable to consider feral cats at this time.

*On behalf of all the animals who can't bark for themselves, we want to say
“Thank You” in advance for your consideration. We Woof You!*
