The Bolivar Peninsula Cultural Foundation is again hosting the Jane Long Festival on October 14th and 15th, 2016. Help us celebrate the spirit of Jane Long in the historical and newly renovated Fort Travis Seashore Park in Port Bolivar. History, art, music and military reenactors join together in an entertaining tribute to Jane as the “Mother of Texas”.

Our past supporters have helped us host several events this year. We started the year by continuing the Gallery by the Gulf monthly artist receptions, the Bryan Museum tour and a delightful luncheon. BPCF has worked closely this year with Ralph Stenzel and Robert Bear in restoring the two additional Bunkers at Fort Travis which will be open for tours at the festival. I hope you were able to attend one of these events or visit the Gallery this year. Please become a Friend of the Festival. Show your support by becoming a sponsor of the Jane Long Festival and participate in the great events this year.

Treasure Chest Corporate Sponsorship - \$1500 Benefits include special recognition banner at the festival, free booth, if desired, promotion on our website.
